

## Office of Mayor James K. Hahn MOIA ADVISORY BOARD

Mayor James K. Hahn established the Mayor's Office of Immigrant Affairs Advisory Board to provide guidance to MOIA in the carrying out of its mission, mandate and priorities. The MOIA Advisory Board will assist in the implementation of programs, services, policies and legislation that promote nonbiased and nondiscriminatory practices in the delivery of services and benefits for immigrants and refugees.

Advisory Board members must have a history of commitment to the principals embodied in the mission statement, the capacity to work as part of a larger body, and a willingness to represent the interests of all immigrant and refugee communities in L.A.

MOIA Advisory Board members represent and promote the needs, interests and desires of L.A.'s immigrant and refugee communities. The Advisory Board advises MOIA on local, state, and federal legislation, policies, and practices impacting immigrants and refugees in the City of Angeles.
